# BMW CORPORATE NEWS.

Dear Ben,

With flowing lines inspired by the power and beauty of water in motion, the elegant new BMW 6 Series Coupé will launch on 15 October 2011. Inside, a luxurious cabin featuring superior materials and state-of-the-art technologies makes driving a true pleasure.

On the road, a range of powerful yet efficient engines combine with a responsive, agile chassis to deliver thrilling driving dynamics. As information about this new model becomes available, be among the first in the know by registering your details [here](#).

With summer on the horizon, you could also be forgiven for falling in love with the new BMW 6 Series Convertible, which launches on 26 March. This graceful model offers a responsive, agile and refined open-top driving experience, with the same exhilarating engine line-up as the 6 Series Coupé.

While we're on the subject of summer, we are also pleased to announce the full schedule for the BMW PGA Championship 2011 at Wentworth Club from 26-29 May.

With ticket prices now confirmed, it's your chance to experience the European Tour's flagship event while discovering all the latest models from the BMW range. If you are a BMW driver, you'll also be entitled to a number of exclusive on-site benefits, including access to the BMW Owners' Lounge.
